“The future of technology isn’t just about what ***we create.***”

It’s about the ***possibilities*** we unlock when we connect.”

ACMA connects people to possibilities.

About ACMA

THREE DECADES OF CONNECTING THE INDUSTRY

Founded nearly three decades ago, the Ahmedabad Computer Merchants Association (ACMA) is one of India's influential IT trade associations, bringing together technology businesses, channel partners and industry stakeholders.

With a strong commitment to collaboration, knowledge exchange and business development, ACMA works towards strengthening Gujarat's ICT ecosystem, promoting indigenous innovation and creating opportunities for emerging enterprises.

Through ACMA Tech Expo, the association extends its vision beyond networking to create a platform for meaningful industry engagement and commercial growth and promote three key pillars:

Professional Networking
Opportunities

Knowledge Sharing
& Skill Development

Business Growth
& Collaboration
